### **FOR IMMEDIATE RELEASE**

Hundreds gathered in Pinecrest for a family-friendly Bike Ride Day

**Pinecrest, Fla.** – Bicyclists of all ages and abilities took part in the Village of Pinecrest's Fifth Annual Bike Ride Day hosted in collaboration with Miami-Dade County Public Schools Vice-Chair Dr. Lawrence Feldman. All types of bicycles including stroller, tandem and recumbent styles joined in the fun.

The goal of Bike Ride Day is to encourage student and family participation in activities geared toward healthy and active lifestyles. A Safety and Information Fair with a Bicycle Rodeo where children will ride through an obstacle course that taught them about bicycle safety kicked-off the event. Sponsors also fitted and gave away bicycle helmets.

Participants had their choice of a two, three or four-mile loops where bicyclists rode through Pinecrest's scenic streets while flanked by police personnel to ensure safety. After the ride, participants met back at the Pinecrest Community Center where sponsors gave away gym memberships, major league sports tickets and other family-friendly items.
