FOR IMMEDIATE RELEASE

Pinecrest held its 12th Annual Fine Arts Festival in Pinecrest Gardens

Pinecrest, Fla. – Pinecrest Gardens was the stage for the 12th Annual South Motors Fine Arts Festival where 65 artists exhibited their works among 14 acres of native forested wetland, tropical hardwood hammock and native cypress slough hammock from 10 a.m. to 5 p.m. January 10 and 11.

To download photographs of the festival and Roy Rodriguez, whose art was featured on the 2015 Fine Arts Festival poster, please go to: <http://ge.tt/7QDtPR82>.

Each artist was carefully selected to show at South Florida's premier juried fine arts festival from a pool of close to 100 painting, mixed-media, jewelry, sculpture, photography and wearable art artists.

This year's winning art poster is by local artist Roy Rodriguez and is named *Esta es mi Ciudad VII*. Roy considers himself a self-taught individual who has been trained in the techniques of the great contemporary masters. He seeks his own aesthetic tendency in the use of color and texture to create a sultry palette. Using his childhood memories of Cuba, he passionately projects the hedonistic reality of his native island utilizing vibrant colors and exploring the exotic. Roy currently works in original oil paintings, watercolors, drawings, commissioned portraits, and also offers limited edition giclee reproductions.
